# Early Intervention Projects/DEIS Projects

ImaginationGYM® offer a wide number of options for Early Intervention Projects/DEIS Projects suitable for children 6-12 years. They focus on developing a child's skills in the areas of language and communication, social interaction, behaviour, and personal development. Staff and parent support services are also available.

## Digital Media Projects

ImaginationGYM® Digital Media Projects offer an easy to implement solution to familiarise children with technology and software. The chosen themes encourage children's self-awareness, environmental awareness and creative thinking. Our Digital Media Projects are fully integrated with the S.P.H.E. media education curriculum.

Project content includes:

- Office skills (typing, PowerPoint, Photoshop)
- Technical skills (image manipulation, sound recording & editing)
- Digital storytelling
- Digital photography
- Project display solutions
- Individual portfolios
- School/ community exhibitions
- Social Enterprise Projects (calendars, cards)
